Now, activation process of Core Smart Home skill is completed. You can control scenes directly from Alexa.

Note: Alexa needs to re-discover scenes when you add new scene or edit or delete scene in Core Smart Home. You need to do step 13 again or simply say "Alexa, discover" to Alexa to start re-discover process.

HOW TO USE

To run Core Smart Home Scene from Alexa, simply say "Alexa, turn on -scene name-". e.g.: "Alexa, turn on welcome" Alexa will reply as "OK" after running Core Smart Home scene.
