

## Model:

**KA-Q1-POE-5AF 8MP**

## Features

- 3 Night Vision Mode :Infrared / intelligent / Full-color night vision;
- H.265X/ H.264 compression ;
- Built-in MIC ,record video with voice;
- Pan Tilt rotation, horizontal: 355 ° & Vertical: 90 ° ;
- Waterproof level IP66;
- Support Standard ONVIF comatible with most NVR and XMEYE series NVR ;
- Support P2P Remote Access/Multi-User View & anywhere & anytime;
- Elegant outline and easy installation;
- Provide Android & iOS XMEye Pro APP and professional VMS PC client software.

## Package Details

1. 1\* POE IP Camera;
1. 1\* Pack of Screws and Screwdriver;
3. 1\*English User Manual.

## POE Audio Camera\_Speed Dome (support onvif)

Model		KA-Q1-POE-5AF 8MP
Camera	Image Sensor	1/2.7" CMOS NT98566+SC8239
	Megapixel	8MP( 3840*2160)
	Lens	2.8-12mm
	Min.illumination	Color 0.0001Lux@F1.2 , Black & white 0.0001Lux@F1.2
	Day&Night mode	full color day and night vision
	Night Vision distance	0-20m Night Vision
Video	Video compression	H.265X / H.264
	Video streaming	Dual streaming
	Video resolution	JPEG stream :(Monitoring for mobile phones)
	Video frame rate	25fps
	Image settings	Brightness,saturation,contrast,Sharpness,Exposure,flip,mirror
	Image enhancement	Backlight compensation,Automatic white balance Digital WDR, 3D digital noise reduction
Audio	Audio compression	G.711A
	Audio Input	Support, Built-in Microphone 10M
	Audio Output	N/A
Function	Motion detecting	Can set 4 independent detection region (1-100 sensitivity can be set)
	Alarm linkage	To mailbox,FTP server,Micro SD card,message push
	Storage	Storage by NVR
	User management	Supports user and rights management
	Network protocol	TCP/IP,HTTP,TCP,ICMP,UDP,ARP,IGMP,SMTP,FTP DHCP,DNS,DDNS,NTP,UPNP,RTSP etc.
PTZ	Connection protocol	Support ONVIF 2.4(backward compatible)
	Rotation angle	Horizon:0° to 355°. Vertical: 90°
	Horizontal speed	10° ~ 30°/S
	Vertical speed	8° ~ 25°/S
Power	Preset	Support
	Power supply	POE / DC 12V 2A
General	Power consumption	5W
	Working environment	Temperature: '-5—+50℃ , Humidity:10%—90%
	Material	Metal + Plastic Housing,Indoor and outdoor Use
	Installation	Wall
	Size(W×D×H)(cm)	12*12*15cm
	Weight(kg)	0.6KG/PC
	Box size/weight	1PC/BOX: 15*15*18cm; 0.65kgs
Carton size/weight	20PCS/CTN: 63*40*40cm; 14kgs
